

October Newsletter 2024
INFANT I Chicks Class

Greetings Parents,

Life is good in the Infant I classroom. We are truly enjoying loving on our little ones each day that God has blessed us with. God is truly faithful even in the mist of the storm. We are excited to get started with our new month that will lead us into our season of Autumn.

We are looking forward to the fall season and cooler weather. The basic truth for October is God loves me and the bottom line is God is always with you. Our memory verse is “God is with you wherever you go.” Joshua 1:9, NLT.

Fire Prevention Week will begin during the week of 7th- 11th. The Nassau Bay Fire Department will stop by to allow us to see just how cool fire fighters really are. DOCA will be closed on October 14th for teacher-in-service.

Your Sisters in Christ,
Infant Teachers
