Dear Parents,

Spring is in the air, and it is hard to believe that another month has already passed! The end of the school year is just around the corner. The children have grown and learned so much. It has been a blessing to be part of their learning experience.

In March, we enjoyed the Rodeo Round Up. The children enjoyed the petting Zoo, story time with Mrs. Baacke, games and a craft. The children had fun with our science experiment of finding out what two colors make orange and planting grass seeds. Before we knew it, the month was over!

GREETING CIRCLE

Every day as we gather as a school family, we sing a song or learn a poem that reinforces new vocabulary and concepts. Many of the songs are popular children's nursery rhymes and songs that you probably sang as a child. Others are new verses written specifically for our theme and sung to familiar tunes. Here is one of our favorites:

In class, we introduced the numbers 9 and 10. They enjoyed counting the longhorns and talking about different animals we have in Texas. The children joyed counting fun shapes, reading stories and singing songs about Texas. We enjoyed our special Bible stories at the Club House where we learned more about God's love for us and loving one another. We learned so much as we continue to grow in our relationship with Jesus!

- **Week 1:** Crawling Critters
- **Week 2:** Flying Critters
- **Week 3:** Hopping Critters
- **Week 4:** Scaly & Slithering Critters

Learning through God's love and
grace,
Mrs. Judy

SCRIP order sale begins April 22nd
"SCRIP" means substitute for money. When
you purchase a SCRIP card, you are purchasing
negotiable gift cards that are used just like
cash. The national and local retailers issue the
gift cards where you already shop. These
merchants want to support non-profit organi-
zations and in return ask you to support them
by shopping with SCRIP cards at their stores.

With every purchase, Day One will earn
revenue for our school. This is probably the
easiest fundraiser I have seen.
