

Good Afternoon Day One Families,

God's blessings to you all! I pray you are all enjoying the summer and finding time to spend with family and friends! On behalf of the Day One Christian Academy, I would like to express our appreciation for all your thoughts, prayers, and generosity throughout the school year. We are so appreciative of all your time, dedication, and support that you provide to Day One. On a personal note, I would like to thank everyone for your well wishes and support as I embark on the journey of being Director of Day One. It is an honor and pleasure to serve alongside you and your children. I give all the glory to God as He guides me on this new path.

Water Discovery

Water Discovery Week is next week! A schedule is posted with your child's specific water play days outside of their classroom. We ask that the children come dressed for water discovery, with sunblock and bug spray already applied. Please bring a towel and dry clothes for your child to change into, with all items labelled with their name.

Safety Reminders

Day One strives to keep our school safe, most of our safety policies can be found in our Parent Handbook on page 15 under Safety and Security. Day One is very blessed with our location and community. We are across the parking lot from the Nassau Bay police department and across the street from the Nassau Bay Fire Department.

Please report any suspicious activity or individuals to an administrator immediately. We have safety protocols and we do not hesitate to contact the police. Each family is assigned their own personal code to get into the building. Please do not share your code with people that are not regular pick up or drop off individuals for your child. Please do not share your code with your child or allow your child to type in the code. Codes will be deactivated and changed in the event children are typing in or sharing codes. As a safety precaution, codes are updated annually.

Please do not hold the door open or allow access into the facility to individuals that you do not recognize as a Day One parent or staff. Make sure your child stays with you and they do not open the door when leaving. Your assistance is appreciated for the protection of the children, families, and staff.

Summer Staffing Updates

You may notice we have some new and returning teachers in the classrooms this summer. We are very blessed that several of our seasonal employees have returned for the summer! They are helping in various classrooms and subbing while many teachers take summer vacations.

Helping more people live life with Jesus everyday.
