

Happy September Parents!

I have had such a lovely time with getting into routine with the children and teaching the class all about them! We have talked about our face, our senses, our arms, hands, fingers, legs, feet and even our little toes!

In September, we will explore how our facial features are connected to our senses. Begin conversations with your child about how food tastes and aromas smell. Ask your child to listen for sounds around your house, including those that are sometimes unnoticed like the ticking of a clock. We will also be looking into learning about Jonah and the Big Fish for our monthly Bible lesson. Our monthly scope will be the color red, the shape circle, and the number 1!

We do have some important dates coming up for the month of September: Monday, September 2, Day One will be closed in observance of Labor Day. Day One will have a special Grandparent Chapel on September 11 at 11am in Kids Room. Holiday Preschool Portrait Week will be from September 17 through the 18<sup>th</sup>. I will be sending more information via HiMama and notify when order forms will be sent home. Parent Chapel will be on the last Wednesday of this month, September 25 at 11am in Kids room. Joy the Comfort Dog Visit is on September 27.

Just a few reminders: Please remember to label all your child's belongings and personal cups. If your child is bringing personal milk from home, please bring it in an insulated bag with an ice pack to keep it cool throughout the day. If you have any questions, please send me a message via HiMama, or speak with me during drop off/pick up. Have a lovely September!

Blessings,  
Ms. MaryAnn
