

# KITTENS OCTOBER NEWSLETTER

## WELCOME OCTOBER

Wow, we can't believe it's already October! It's been a wonderful couple of months, and we are so excited for what's ahead. This month, we are ready to begin our new theme, "Family & Home," where we will learn about our immediate and extended families and the special place we call home. We had so much fun continuing our "All about me" learning in september and loved watching our tiny minds grow and develop! We are excited to build on that learning throughout October with new discoveries, conversations and hands-on experiences. Most importantly we will be learning the comforting truth that God's got it!

We look forward to helping our little ones learn, grow, and remember that God is always with them.
