

Lions November 2023

Dear Parents,

The month of November is a time when we give thanks for our many blessings including our family, friends, food, and all the many blessings God has given us. We will also learn that we can give thanks (pray) any place we are and at any time of the day!

November 12, we kick off our SCRIP Order Fundraiser. Watch for forms to be put in your child's cubbies. This is an awesome fundraiser that lets you purchase gift cards that you can use for yourself, gifts for Christmas, or birthdays for family and friends.

Our Bible Story: I can thank God for family. Ruth, Naomi, and Boaz • Ruth 1–2 Memory Verse: "Always give thanks to God." Ephesians 5:20, Key Question: Who can you thank for everything and our Bottom Line: I can thank God for everything. Our shape is the triangle, our color is yellow, and our community worker is food service workers.

Did You Know?

Social skills are declining in American children. Researchers believe that this is because many children spend more time with technology than engaged in human interactions. In fact, the only activity that outranks the number of hours viewing television is sleep. Children develop and refine social skills by interacting with family members and friends. Social and emotional intelligence begins to wire at birth. Children need plenty of face-to-face interactions with others for these intelligences to wire to their optimum levels.
