

Preschool Two's February 2024 The Lion's

Dear Parents,

During the month of February, our class will be talking about how God loves us and how He wants us to show love to others. We will learn about the groundhog and celebrate Valentine's Day.

We will have our Valentine's Day Party on Tuesday the 13th and Thursday the 15th. For our Valentine's Day celebration and learning about Jesus' unconditional love for us all, a sign-up sheet will be posted outside our classroom for a special snack with suggested items to bring. The children can bring valentines to pass out. Please address the envelopes To My Friend instead of names of the children; this makes it easier for your child to pass it out to each friend.

Please remember that Monday, February 5 will begin the registration process for the 2024-2025 school year. Enrollment Applications are accepted on a first come basis. Please remember that all registration forms must be turned into the office.

February 14 is Ash Wednesday and Parent Chapel. During chapel, there will be an imposition of ashes in the form of a cross. For the children that would like to participate, these will be placed on the forehead or on their hand. If you do not want your child to take part in this please let us know.

Bible Story: Jesus loves everyone. The Man with Leprosy • Matthew 8:1-3; Mark 1:40-45

Basic Truth: Jesus wants to be my friend forever **Key Question:** Who does Jesus love?

Bottom Line: Jesus loves everyone.

Basic Truth: Jesus wants to be my friend forever.

Bible Story: Jesus and the children Luke 18:15-1 Memory Verse: "Be kind and loving to each other." Ephesians 4:32, NCV

National Children's Dental Month
Black History Month
Library Lovers Month

In His Name,
Ms. Cher & Ms. Brittany
:

Parents as Partners

Did You Know? Research suggests that children can be raised to be persistent. And while you may sometimes wish your toddler were less persistent, persistence is

Try It Out Try out

these simple ways to encourage your child to become more persistent:

- Do projects with your child that will take some time to complete, such as baking bread or making vegetable soup.
- When your child is building a block tower and it falls down, offer suggestions to help your child accomplish his goal. Help your child solve his own problems instead of rushing in to fix the problem for him.
- Always insist that your child finish what he starts. Talk with your child about times you felt like quitting but didn't.
