

Lions March 2024

Dear Parents,

Thank you for the wonderful contributions that you made to your children's classroom. The Valentine's Party was a great success thanks to all your efforts, time, and talents. As your child's teachers, we were blessed to watch the excitement and enthusiasm that filled the room not only the day of the party, but also during all of the preparation for the occasion. Thank you for helping us have a wonderful event and for all of the special treats.

March is going to be an excellent month as well. We are eagerly waiting for the awaking of God's creation. Each day, we share with the children that God is love. In class we often talk about how much God loves us and takes care of them like their parents and caregivers do each day. This month, we will share how they too exhibit God's love to their family, friends.

With Spring break quickly approaching, we ask that you continue to update your child's wardrobe by checking their backpack for size and seasonally appropriate attire. Thank you for all of your efforts regarding your child's education. It is very easy to see the light of God's love in the eyes of our children. Thank you for all of your support and help.

Yours in Christ,

Ms. Cher & Ms. Brittany.

Parents as Partners

Did You Know? Children who grow up to be good readers all have one thing in common and it may not be what you might expect. It is not that they had parents who attended college or that they had special teachers. Children who have strong reading skills have parents who read to them and told them stories.

Reading at bedtime seems the most common time parents read to their children but there are many reading opportunities throughout the day. Reading opportunities happen everywhere at any time. Here are some ideas: • Read letters you receive and invite your child to help you write a response. • Read labels on cans, boxes, and other grocery packaging. • Read signs in the store and billboards along the road. • Tell stories while driving or at dinnertime. Include fairytales and traditional tales from your childhood. Tell stories about grandparents and your childhood. • Take your child to the library and check out a book for your
