

September Newsletter 2024

Dear parents,

We are so blessed to have your children in our class this year, we are very pleased to see how much our little ones have adapted and learned in the last couple of weeks. In August, we started learning to name common objects for example (door, table, chair, phone, etc.) We also continued to sign the words (more and all done) and used them during our snack and lunch times. We have gone over our friends' names and started giving names to faces. We introduced our friend, Lily the Puppet. She will be helping us learn all about our curriculum, Frog Street. We are very excited to see their progress and growth during the school year.

As we move on to September, we will explore how our facial features are connected to our senses. Begin conversations with your child about how food tastes and aromas smell. Ask your child to listen for sounds around your house, including those that are sometimes unnoticed like the ticking of a clock. We will continue to work with them on their language development by starting to name familiar objects around their environment, their physical development skills by going out to the playground among other things. We will continue to learn about Gods' love for us and the great things He has prepared for us. September will be filled with lots of learning as well as lots of fun!

Some important dates for this month:

Doca closed for Labor Day - Sept 2

Preschool Holiday Portraits - Sept 17,18

Grandparents Day Chapel - Sept 11

Parent Chapel - Sept 25
