OCTOBER 2026

What We Learned

Welcome to a new month of learning! Our theme is Family and Home, where children will explore family members, pets, and different types of homes while building language and social skills. We'll also learn about the triangle shape, the color yellow, and numbers 1 and 2 through fun, hands-on activities. As we grow in character, we'll continue learning about the Fruit of the Spirit, focusing on gentleness, kindness, and caring for others. We're excited for a fun-filled month of learning and making wonderful memories together!
