

Day One Christian Academy

May Newsletter

Hello Parents, I can't believe the year has gone by so fast! In May, we will have our last parent chapel and last Joy visit. We will also review all the shapes and colors we have learned throughout the year. We will continue with our last theme, Traditional Songs. We can't express enough how wonderful your children have been and how much we will miss them next year! We look forward to those who have signed up for summer and getting a little extra time with them.

- Color: Black/ review all colors
- Shape: Oval/ review all shapes
