

NOVEMBER AFTER SCHOOL CARE NEWSLETTER

TIME SURE FLIES.....

DEAR PARENTS,

October sure was a blast! We had so many fun activities about traveling! The children learned the different ways to travel, and a few of the places to travel to in the United States. The children really

enjoyed getting to go on an adventure walk and see the different places they can travel to.

HARVESTING IN A NEW MONTH.....

Now November is here we are going to learn about Harvesting! With the weather changes and colors changing, we will experience autumn in a fun adventurous way! We will go on scavenger walks,

explore different foods, and learn how to harvest them. We will give thanks to God for all He has provided for us. The children will get to explore autumn through many different sensory outlets and educational activities.
