## DAY ONE CHRISTIAN ACADEMY

Gobble Gobble! October was so sweet learning about our families. We learned about Mommy's and Daddy's, Grandma's and Grandpa, pets and other fun topics!

We did some fun art and painted pumpkins. We also had a blast visiting with the Nassau Bay Fire Dept when they came to our school with their truck and gear!

In November, we are looking forward to learning about Friends and what they mean to us, what we are thankful for, and God's love.
