

Day One Christian Academy

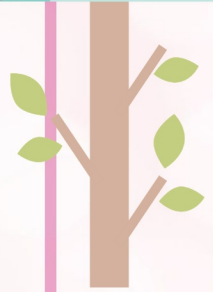

February Newsletter 2024

January was a long month but also a lot of fun, like National Lutheran Week. So cute seeing everyone who dressed up, we can't wait for you to see pictures in the end of the year books.

We also focused on our colors last month and have been doing a great job!

In February we will focus on shapes, which we have already started talking about in our morning circle times, so we are already ahead of things. Below you will find so many more fun things planned for February, I am super excited about Rodeo Round up and the petting zoo!

Theme: Shapes

Color: Pink/Purple

Numbers: 1, 2, 3, 4, 5, 6
