

PARENT NEWSLETTER

Dear Day One Families,

God's blessings to you all! I pray you are enjoying the start of summer and finding time to spend with family and friends.

Water Discovery

Water Discovery Week is June 22-26. A schedule will be posted with your child's specific water-play days outside their classroom. We ask that children come dressed for Water Discovery, with sunscreen and bug spray already applied. Please bring a towel and dry clothes for your child to change into, and label all items with your child's name.

Safety Reminders

Day One is very blessed by our location and community. We are across the parking lot from the Nassau Bay Police Department and across the street from the Nassau Bay Fire Department. Please report any suspicious activity or individuals to an administrator immediately. We have safety protocols, and we do not hesitate to contact the police.

Please do not hold the door open or allow access to the facility for individuals you do not recognize as Day One parents or staff. Make sure your child stays with you and does not open the door when leaving. Your assistance is appreciated for the protection of our children, families, and staff.

Community Movie Night

June 12 | 6pm | Gloria Dei Green Space

Gloria Dei Lutheran Church invites the community and congregation to a free outdoor Community Movie Night! Bring your own lawn chairs or blankets and enjoy a fun, family-friendly movie under the stars with neighbors and friends. Visit gdlc.org for more details.
