OCTOBER 2026

What We Learned

We have an exciting month ahead! In September, we learned "All About Me," celebrated our grandparents, enjoyed Grandparent Chapel, and took our adorable holiday portraits. We can't wait to see them!

In October, we'll begin our new theme, "Family and Home." We'll explore what makes each family special and talk about the people and places we call home.

Family Picture Request: Please send in a picture of your family so we can share and talk about the special people in your child's life.

Thank you for partnering with us!

We're looking forward to a fun

October! 🍂❤️
