

ROBINS NEWSLETTER

OCTOBER 2026

What We Learned

We've had a wonderful start to the year! The children are having so much fun and are getting comfortable with their classroom routines.

This month, we will be learning about Fire Prevention. We are excited to welcome the Nassau Bay Fire Department, who will visit our school in full gear for the children to see, learn from, and take pictures with. We're looking forward to making this a fun and educational experience for everyone!

We will also be welcoming the fall season with fun fall-themed activities and art projects. As a Christian school, we do not celebrate Halloween; therefore, please do not send your child to school in a Halloween costume.

As a reminder, please be sure to complete and turn in an updated feeding sheet for the month of October if you have not already done so.

Thank you for your continued support and for helping us make this a wonderful school year for your children!

Reminders

Please make sure to label all your child's personal belongings that are being brought into the class. All used food and drink containers must be taken home at the end of each day. This includes baby bottles that were brought in prefilled with water. Please be sure to check your child's cubby daily for any personal items or information that may be sent home.
