

August was so much fun getting to know our new friends, teachers, learning the classroom and schedule. Then kicking off the year with the theme "All About Me" in our Frog Street curriculum, which included our faces. We learned where our noses, eyes, mouth and ears are. We looked in mirrors, played games and sang songs related to the theme. In September, we will explore more of the All About Me theme, which includes the senses as well as the upper and lower body parts.
