

# November

## TIGERS 2023

Dear Parents,

We can't believe it's already November! We have some exciting events going on this month like the Fall Festival and a Thanksgiving Luncheon!

This month, we will be talking about ALL kinds of friends. Learning about Friends who keep us healthy and safe, our everyday friends, and Friends with Helpful Hands.

Friendly Reminder: We go outside to the playground everyday, weather permitting. If you could please remember to send your child with a sweater that's labeled with their name. This helps us not mix up sweaters because of how similar some sweaters are. The kids get confused and think a sweater is theirs.

Thank you parents for all your support!

-Ms. Z and Mrs. Gloria
