

# October

# Tigers

Dear Parents,

Wow it's October! It's been an awesome last couple of months! This month is full of exciting things like Fire Prevention week which is from the 7th -11th. We are going to be learning about family (immediate and extended), pets, and homes. With us learning about family, pets, and homes, it would be great if you can send pictures of your child's family. Some examples are mom, dad, siblings, grandparents, aunts, uncles, cousins, and any other relatives. Pictures of pets at home if you have any would be great too. We have such an amazing and smart group of students and we can't wait to see everyone's family and how our kids will tell us about them!

Blessings,

Ms. Z and Mrs. Gloria

**7th-11th- Fire Prevention Week**

**14th — DOCA Closed In Service Day**
