

# November TIGERS 2024

Dear Parents,

We cannot believe it is already November! We have some exciting things going on this month like the Story Book Festival and a Thanksgiving Feast!

This month we will be talking about ALL kinds of friends. We'll be learning about Friends who keep us healthy and safe, our everyday friends, and Friends with Helpful Hands.

Friendly Reminder: We do go outside to the playground everyday, weather permitting. If you could please remember to send your child with a sweater, labeled, so we do not mix up sweaters because some kids do come with similar sweaters and kids get confused and think a sweater is theirs.

Thank you parents for all your support! -Ms. Z and Mrs. Gloria
