

## “Bethany Cares” Survey

Bethany is a loving congregation, where many people give their time and energy to help others in our church when needs arise. The church council would like to know the types of situations that Bethanians are already filling with their caring, and we want to see if we can add to what we are already doing, so that when we hear of a need, we can more easily and quickly help our Bethany community.

Please fill out this survey today, here in church. In column (a), let us know anyone you are currently helping with one of the needs listed. In column (b) check any of the types of needs you might be willing to serve others in the future. In column (c) check any pastoral needs where you would appreciate help from Bethany.
