NOVEMBER MEMORY VERSE

"Bless the Lord, O my soul, and all that is within me; bless his holy name."
~Psalm 103:1 (KJV)

CHURCH OFFICE WILL BE CLOSED NOVEMBER 25-27.

From my heart to yours:

Thanksgiving

Thanksgiving Day will soon be here once again. It is time to ask, "Am I truly thankful?" Benjamin Franklin recalled an experience from his boyhood. He told about the old salt barrel that stood in the corner of the kitchen. Meat was taken from the barrel daily to provide for the family's needs. Franklin's father prayed at every meal: "Thank thee, Father, for the meat thou hast laid before us." One day young Ben managed enough courage to suggest: "Father, why don't we say thanks over the whole barrel at one time and be done with it?" Commenting on this experience years later, Franklin said he would never forget the stern rebuke of his father for such presumptuous ingratitude.

We observe Thanksgiving Day once a year. We dump the blessings of 364 days into one Thanksgiving Day and piously express our gratitude to God. It would be much more appropriate to set aside one day each year for grumbling and complaining and reserve the remaining 364 days for thanksgiving. We need to remember to be thankful not just one day but throughout the year! Can you say, "I am a truly thankful person?"

Like Franklin, I learned as a boy what it means to be thankful. Times were hard on the farm when I grew up. We always had too much month at the end of the money! One Christmas I asked for a certain gift. When I opened my present, it was something different and less expensive. It was all my parents could afford. I complained to my mother that I did not get what I wanted. Later, as I walked past Mother's bedroom, I heard her crying as she prayed: "Lord, you know we are doing the best we can to provide for our children. Help them to be grateful for what they have." I learned an important lesson that day. God wants us to be grateful for everything great and small. "In everything give thanks; for this is the will of God in Christ Jesus concerning you" (1 Thessalonians 5:18).

Spotlight on Sunday School

Library News

Do you like puzzles? We have been gifted about a dozen 1000-piece jigsaw puzzles. They are available in the library. You may borrow them with no check-out procedure.

We have also been gifted a collection of books by David Jeremiah:

The Holy Spirit You May Not Know - Many believers affirm the Holy Spirit — but don't always understand His role in a personal way. In this powerful new book, Dr. Jeremiah invites you to move beyond a general awareness of the Spirit into a deeper understanding of who He is and what He does. Discover how the Holy Spirit helps you know God more fully, understand His truth, and live with strength, clarity, and purpose. This is more than learning about God — it's an invitation to experience His presence and power in your daily life. Do you desire to understand the Holy Spirit more clearly — and experience His work more personally? The Holy Spirit You May Not Know walks through Scripture to help you move from uncertainty to confidence in your understanding of the Spirit's presence and power

The Jesus You May Not Know – This spiritual guide takes readers on a journey from knowing about Jesus to knowing Jesus personally. The book explores aspects of Christ's character and teachings to deepen your understanding of who Jesus is and develop a more intimate relationship with Him.

The God You May Not Know - Our personalities inevitably conform to our gods. When we worship inferior versions of God – money, status, security, power, pleasure, you name it – we become like our idols. If your god is money, you'll become materialistic. If your god is yourself, you'll become more self-focused. But if your God is the almighty Creator of Scripture, you've got a lifetime of joy ahead of you. So, it is no exaggeration to say that the study of God is the supreme study of a lifetime. It lifts our thoughts, steadies our nerves, purifies our motives, expands our confidence, and strengthens our influence. It's the greatest subject we could ever study, for God is the apex of all reality. One of the reasons we don't love God as much as we should is because we don't know Him as well as we ought. Trying to comprehend the person of God is like trying to capture all the galaxies of the universe in a child's prism. Yet the Bible encourages us to try, for God seeks to be known.
