

“Would You Like to Know God as Your Friend?”
Selected Scripture

Introduction

“If it is necessary to have the second birth in order to go to Heaven then, on a scale of 0 to 100, how sure are you that you have been born again?”

“If you were to stand before God knowing that you must be born again in order to enter His kingdom, and God asked you to explain how it is that one is born twice, what precisely would you say?”

“If you are not 100% sure, what do you suppose you have to do in order to have that assurance?”

My personal application for today is:
