COMMUNITY BIBLE CHURCH
YOUTH MINISTRY

WELCOME TO YOUTH MINISTRY!

The purpose of this packet is to let you know what our youth ministry is all about as well as what we do and when we meet. Whether you have a rising 7th grader or are new to the church or youth ministry, I hope this information will be helpful and answer many of your questions.

In Christ, Zach Holmes – Youth Pastor

OUR MISSION

The mission of the youth ministry is to come alongside parents and prayerfully help develop students that are fully devoted followers of Christ through genuine relationships, biblical training, identification and nurturing of spiritual gifts and demonstration of the love of Christ, in order to raise up an empowered, biblically literate, motivated generation that can lead the church and carry out the great commission.

OUR OBJECTIVES

1. Commit to Content. The youth ministry is not here to simply entertain teenagers. We are here to help them grow in their relationship with Christ. Yes, we will have some fun events but the priority will remain solid Bible teaching and the spreading of the gospel message.
2. Partner with Parents. You as parents are the primary influence in your student's lives. It is clear biblically that parents are to be their children's spiritual teachers. Our goal as a ministry is to partner with you to assist and encourage you in any way we can. We always have an open invitation for parents at any youth ministry event and would love for you to serve if possible.
3. Set Opportunities to Serve. We haven't truly surrendered our lives to Christ until we are willing to use the gifts and abilities He has given us to serve Him. This year we will continue with our student leader positions, have a local service opportunity each semester as well as short-term mission trips next summer.
4. Worthy Worship. Praise and worship is a key element in this ministry. We want to help teach our students how to worship God and also help them develop their skills if they have musical ability and feel called to serve in this area.
5. Keep the Main Thing the Main Thing. The ultimate goal is to please and glorify God. We seek to keep God preeminent above all things, discover His will in every aspect of the ministry and make sure we're carrying out the great commission.

STUDENT DROP-OFF AND PICK-UP

There is no check-in for our youth ministry events as there is in the children's ministry. Attendance is taken and tracked at regular youth events. As a parent, you are responsible for where your student is expected to be. We do ask that students remain at events for the entire time of the event (i.e. Frontlines, Awana, Special Events) unless we are notified of special circumstances that require a student to leave or be picked up early. Most youth events take place in the youth building which is the brick building next to the church, behind the pavilion.
