

Let's Talk Family | Week 1

Pastor Jeff Little | April 6-7

WARM UP

If you are married, tell us how long you've been married, and what's one of the greatest things you have learned about marriage?

If you aren't married, tell us about a married couple you respect and something you've learned by watching this couple?

INTRODUCTION

This week, we began our "Let's Talk Family" series, and we tackled the subject of unity in our relationships. Scripture is clear: where there is unity, God commands a blessing. Let's talk about unity in marriage, what it is, what it isn't, and some ways we can develop unity in our relationships.

DISCUSSION

These questions are a guide. Please select the ones that will work best for your group. You do not have to discuss them all.

1. What was your greatest takeaway from the message?
2. Read Psalm 133. Why is unity important according to these verses?
3. Why do you think unity is blessed by God?
4. Pastor Jeff mentioned that unity is not uniformity, it is not the absence of conflict, and it does not mean everything comes easy. Why do these things not define unity?
5. How would you describe unity from a biblical perspective?
6. The enemy is always trying to separate and divide. Have you ever experienced the enemy try to bring division in a relationship before? Explain.
7. Unity in marriage starts with what God wants to do in you (not in your spouse). Why?
8. What are some steps we can take towards unity in our relationships?

APPLICATION

Are there any areas of disunity in your life? Take a moment to evaluate why. What is something you can do this week to get help in this area?

PRAYER

- Pray for anyone who responded to the application question above.
- Pray that God would strengthen marriages and bring greater unity this week.
- Take prayer requests and pray for any needs in the group.
