Letter from Pastor Jeff

If you asked me what still gets me excited every day after 30 years in ministry—it's people. Every seat at every campus represents someone taking a step closer to everything God has for them and lost people coming home. It's overwhelming to think about everyone God has impacted in these seats this year—people who walked in feeling hopeless, alone, or like they were too far gone, but when they encountered Him, everything changed.

Last year, we took a big faith step and asked you to give more than you ever have to the Legacy Offering. You stepped out in faith and gave $9 million to expand the Kingdom and help the hurting. My favorite part? Watching you and the rest of our church family grow spiritually. And because of your generosity, we got to make an even greater impact. Here are just a few ways we made a difference in 2026:

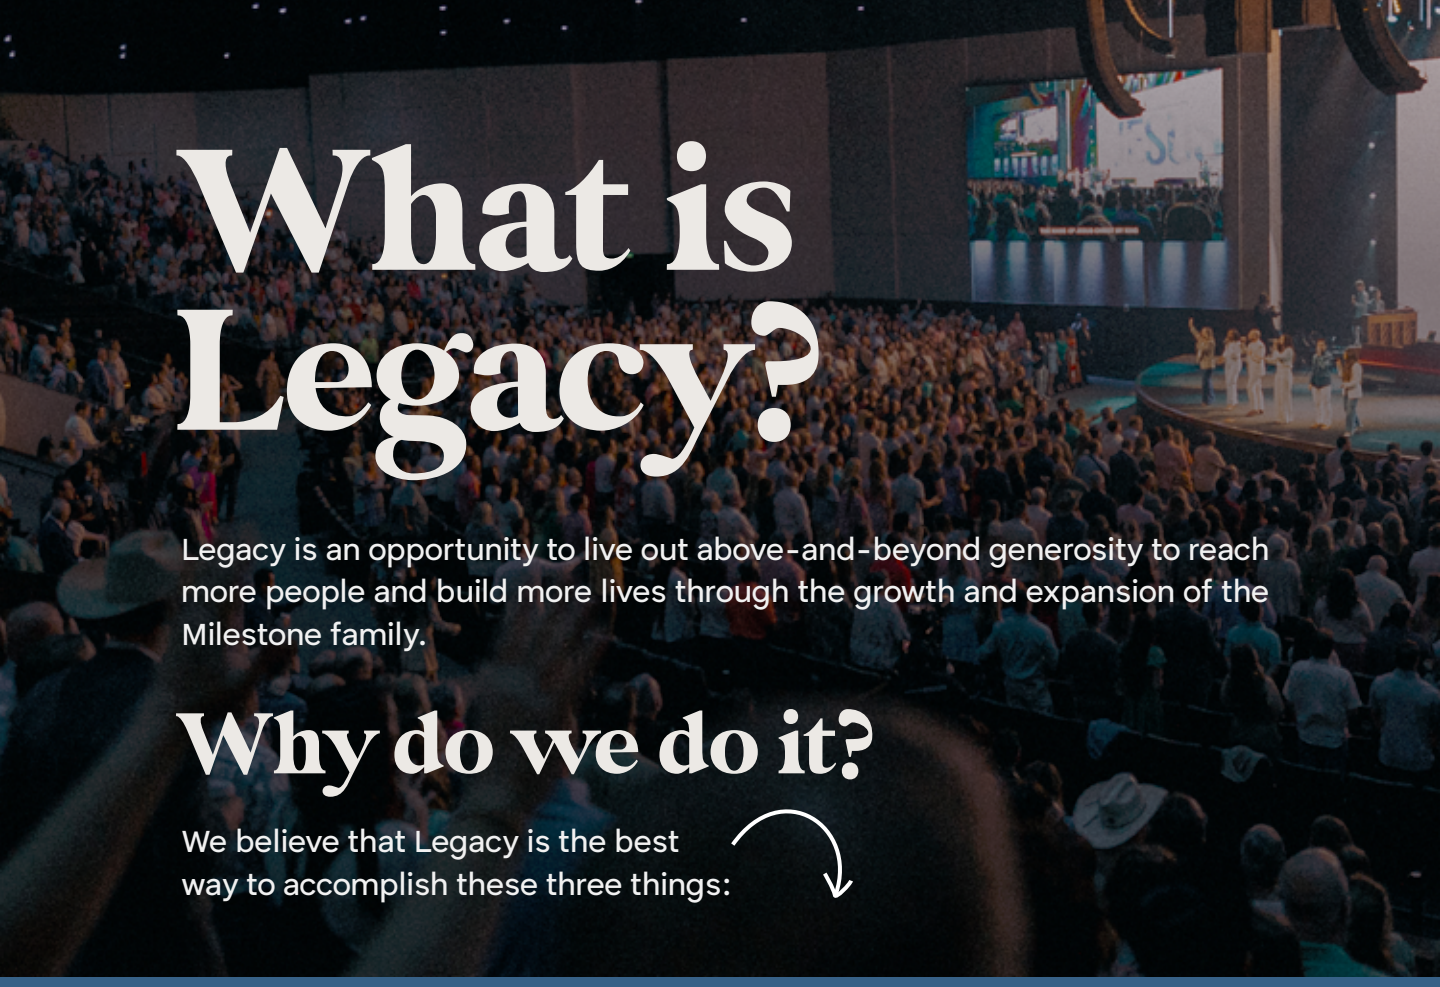

- *Provided **groceries for 8,750 people** facing food insecurity*
- *Held **VBS, Joy, and Super Series at all four campuses,** resulting in thousands of people impacted*
- *Gifted **camp scholarships** to **children of single moms** and **veterans***
- *Saw a **66% increase in faith decisions** in our **Next Gen environments** and a 31% increase in event attendance*
- *Utilized our **Serve Center to provide 30,000 bottles of water** to a town that was temporarily without clean drinking water*
- *Organized the largest Serve Day in Milestone's history—**6,000 volunteers, over 400 projects,** and saw thousands of people served with the love of Jesus*
- *Through our **Christmas Wonder Outreach, 1,500 children will receive Christmas gifts** at no cost*

*Here's something I'm really excited about. **We've seen over 3,000 faith decisions and more than 900 people baptized this year!** And it's not just adults; there's a unique move of God happening in the lives of our young people like we've never seen. Because of this, we're having two identical weeks of High School Camp next year so more students get to participate in this life-changing experience!*

As we celebrate everything the Lord has done this year through your generosity, we look ahead to what else we could accomplish as we partner with Him to love and serve others. As we come to this special Legacy Offering, I'm asking these questions: What else could we do? And where are there more opportunities to be the hands and feet of Jesus? I'm excited to share our goals, vision, and next steps for 2027 and beyond with you. Let's keep making an impact together!

Pastor Jeff Little

What is Legacy?

Legacy is an opportunity to live out above-and-beyond generosity to reach more people and build more lives through the growth and expansion of the Milestone family.

Why do we do it?

We believe that Legacy is the best way to accomplish these three things:

1 Expand the Kingdom

Jesus has called us to reach the lost, and we believe the best way to carry out the Great Commission is by opening more seats and launching campuses to bring Milestone and the message of Jesus to surrounding communities.

2 Help the Hurting

As we grow, we want to make a bigger impact by loving and serving those who are hurting and marginalized in our communities.

3 Grow Spiritually

This is an opportunity for each of us to grow spiritually and become more united as a church family as we continue to see God move in powerful ways.

Legacy Offering | December 12+13

Our Impact in 2026

Because of your response to the *Legacy Offering* last year, we were able to make an even greater impact in 2026. With the ***$9 million you generously gave***, we were able to accomplish our goals of expanding our reach through campuses, making an impact through local and global outreach, and investing in the next generation.

We understand that all of this is possible because we serve an amazing God and have such a generous church family. Your giving creates opportunities for people to be served in ways they never thought imaginable.

Check out how your investment made an impact in our three Legacy Lanes.

Campus Expansion

- All four campuses held VBS, Joy, Super Series, and Weekend Services, resulting in ***thousands being impacted*** in different parts of our region
- Paid off debt on ***Haslet campus***
- ***1,300 more people made a faith decision*** in 2026 compared to last year

Next Gen

- ***Twice as many students*** made a ***faith decision*** during Super Series this year than in 2025
- ***31% more kids and students attended*** a camp/retreat
- Through MYA's first conference, more than ***800 young adults*** had the opportunity to encounter God

Local/Global Outreach

- ***70,000 people served*** this year through missions projects
- ***500 more kids*** than last year will be given Christmas gifts
- We utilized our ***Serve Center*** in a moment of crisis

Baptism Story

Billy was in a place where he had a great career and a loving family. But when the things he had placed his identity in began to slip away, stress and anxiety took over as he poured himself deeper into work, trying to regain control.

Meanwhile, Billy's son, Will, began playing sports with someone who invited him to Milestone and eventually to camp. When Will came home from camp, he was excited to tell his dad that he had given his life to Christ! "I couldn't believe that my son, being so young, would have the courage to make that decision . . . God was working in my son to get to me."

After seeing the difference in his son, Billy wanted the same relationship with Jesus and decided to go all in. Billy, Will, and their entire family now come to church together and are growing, serving, and taking exciting steps in their walk with Jesus.

Super Series Story

Tyler is a high school student and had been praying for his longtime friend, David, to know Jesus. After several invitations, David finally said: "I'll be there!" David came and was so impacted by the presence of God that he surrendered his life to Jesus! But the story doesn't end there.

Tyler and David began praying for their friend, Julian, who decided to come the next week of Super Series. After service, David was able to share the gospel with Julian and about what God had done in his life in just one week. Julian was so moved hearing David's testimony that he decided to go all in with Jesus!

Julian said, "Even when I wasn't chasing after God, He was chasing after me."

Local & Global Outreach

Serve one another **humbly** in love.

Galatians 5:13 (NIV)

You are making an impact in these key areas:

- Providing supplies for Title 1 schools and supporting teachers
- Supporting single moms, widows, veterans, and orphans
- Stocking the Serve Center with food, water, and supplies
- Hosting missions events like Christmas Wonder and Fairy Tale Ball
- Giving free groceries to families in need

Each year, the first million of the *Legacy Offering* goes toward Missions and Outreach.

70,000

total people served this year

Over 500 projects completed, including:

- House projects for single moms
- Hosting baby showers for moms who've chosen life
- Filling food pantries
- Clearing teachers' wish lists
- Cleaning veterans' headstones

Serve Center

We were able to respond quickly to a need in Ponder, Texas, because of our Serve Center and resources. Within hours, we provided 30,000 bottles of water to families and residents. We know it's not a matter of *if* a crisis will happen but *when*. This Serve Center exists so that when the next need happens, we're already on the way!

Serve Day Story

For several years, Brenda has navigated life as a single mom, facing challenges that have often felt overwhelming. A few years ago, she was diagnosed with cancer, adding a difficult season to an already full plate. Keeping up with the yard work, home repairs, and maintenance that come with owning a home became increasingly difficult.

During Serve Day, a team from Milestone showed up at Brenda's home. They cleaned up her backyard, laid new sod, mowed her lawn, cut down trees, and even repaired a hole in her roof.

She was blown away by the kindness she received and shared, "I can't even begin to say how thankful I am." She is especially grateful for the way Milestone continues to invest in single moms and widows, showing them through tangible acts of love that they matter.

Guatemala Mission Trip

This summer, a team went to Guatemala and partnered with two community centers in the area that serve families living in extreme poverty. We got to host VBS for their kids, share the gospel with others, and complete maintenance repairs!

Key Areas of Impact

Through 33 intentional partnerships, we're expanding our impact around the world. Each partner is carefully vetted to ensure they align with our mission and steward your generosity with integrity.

HUMANITARIAN AID

We support humanitarian relief efforts in some of the world's most poverty-stricken nations. Through our global partners, we provide children with education, job training, and nutritious meals while responding to disasters and meeting critical needs around the world.

BIBLE TRANSLATION

More than 2,800 languages have limited or no access to Scripture. Through our global partners, we're helping change that by enabling access to the Bible in every language.

828,766 verses | **24,549** chapters | **1,431** books

have been translated so far this year!

More Key Areas:

- Bringing the gospel to unreached people groups
- Countering human trafficking and bringing aid to those affected
- Providing clean drinking water for those in underdeveloped communities
- Supporting women facing pregnancy crisis by helping them care for themselves and their infants
- Empowering local congregations and ministries to transform lives in Israel with the love of Jesus
- Providing food for the hungry and disaster response initiatives

Our Opportunity in 2027

How will this be used?

Campus Expansion

We're looking at launching our Justin campus next year. Your giving will make this a reality.

Next Gen

We will be investing more time and resources into the kids, students, and young adults of Milestone.

Local & Global Outreach

We want to serve more single moms and widows, give more free groceries to families in need, and expand our outreach by supporting more global partners.

Campus Expansion

We must continue our mission of reaching people and building lives. This past year, we saw the biggest impact through our four campuses because we had more seats and more services than ever before. We've seen that when more seats are available, more people come to know God. We have land purchased in Justin and part of this year's *Legacy Offering* will go toward the beginning stages of this new campus. We're raising up leaders and campus pastors, and are expectant about what God is going to do.

TARGETS FOR IMPACT:

- **Launch a Justin campus**
- **Anchor Milestone presence in communities with permanent buildings**
- **Keep opening seats at optimal times**
- **Make Milestone more accessible to your neighbors**

Justin campus coming soon!

Next Gen

We are passionate about the next generation and helping them become all that God has called them to be. We will be investing more time and resources into the kids, students, and young adults of Milestone, resulting in an exponential impact for the Kingdom. We know that camps and retreats are anchoring experiences, and we want to make them accessible to more kids and students next year. That's why, for the first time, we're having two identical High School Camps to make room for more students to participate.

TARGETS FOR IMPACT:

- **Two High School Camps to make room for more students**
- **Make events like Super Series and VBS possible**
- **Double the impact for the next generation**

Local & Global Outreach

For our outreach efforts, we want to do more than ever before. As always, the first million from the *Legacy Offering* will go toward Missions and Outreach. We want to serve more single moms and widows, give more free groceries to families in need, and expand our outreach by supporting more global partners.

We're excited about our new Serve Center, which will give us the ability to respond to more needs in our community and continue being the hands and feet of Jesus in powerful ways. We've had it in our heart for years to have a facility that can store things like water, food, supplies, and equipment so we can act fast in times of crisis and show up big. Your generosity will help us do that.

TARGETS FOR IMPACT:

- **Provide supplies for schools and support more teachers in our community**
- **Support single moms, widows, and veterans**
- **Disaster relief readiness**
- **Provide Bible translations in every language**
- **Stock the Serve Center with food, water, and supplies**
- **Host events like Christmas Wonder and Fairy Tale Ball**

Serve Center

This past August, we were able to show up for a town not too far from us when a sudden crisis occurred. Ponder, Texas experienced a main water line break, which left the whole city without clean drinking water. Because of our Serve Center, we showed up on the scene quickly to bring 30,000 bottles of clean water for families and residents. We know it's not a matter of *if* a crisis will happen but *when*, and we were already on the way!

Future Vision

We're excited to keep informing you about Future Vision—an initiative beyond our annual $10 million *Legacy Offering* goal. It includes making strides toward constructing a dedicated Ministry Center for Milestone College, a chapel to host weddings and funerals, and preparing for future campuses. We believe these spaces will transform how we are able to serve people and help us continue raising up the future leaders of our church.

Ministry Center

As our college continues to grow, we want to build a three-story building at our Keller campus that provides the space students need to learn, lead, and connect. Academic expansion, leadership development, and student life spaces will create more opportunities for students to grow spiritually, develop their gifts, and prepare for what's next.

Milestone College

Our biggest class ever!

At Milestone College, students gain hands-on ministry experience and grow with the help of mentors and passionate leaders who are committed to developing the next generation. It's projected that there will be a 50% decline in Christian leaders over the next 15–20 years. Our goal is to equip young leaders to strengthen the Church for years to come.

Our Next Steps

Pray, Prepare, Participate

Pray:

- Make it a daily prayer point that God would grow us in love and impact.
- “God, what do You want to do through me and through our family?”

Prepare:

- Prepare to give in the *Legacy Offering* on December 12+13.
- Start building now toward this special offering.
- Plan your investment and tax strategy around this offering.

Participate:

- Go on the faith journey.
- Attend the *Make a Difference* series in November.
- Give your best cash gift, as an act of worship, in our *Legacy Offering* the weekend of December 12+13.

Thank you,

Milestone!
