Letter from Pastor Jeff

Since the beginning of Milestone, we've always had big opportunities to hear from God and give sacrificially to see people reached for Christ. I'm so proud that every time our church has responded in faith to these needs, we've seen people impacted.

This year, we experienced something incredible. Because of your generosity in last year's Legacy Offering, we were able to complete construction for our Haslet campus, where we've already seen hundreds saved! God also miraculously presented us with an opportunity to launch our Argyle campus. Your faithfulness last year positioned us to say "yes". This year alone, we've added 2,500 more seats where people can come hear the message of Jesus, get connected to spiritual family, and walk in their God-given purpose.

But that's not all. We also believe we will see over 2,000 faith decisions and 1,000 people baptized by the end of the year! This is the most we've ever witnessed in the history of Milestone in a single year. There's nothing more impactful than seeing people come to know Jesus and families changed for eternity.

As we continue to grow, we also want to keep growing in love and impact. This year, we've been able to serve our region in bigger ways than ever before. We've created unforgettable moments for families with children walking through serious illnesses, provided meals for kids facing food insecurity, cared for more single moms and widows than ever before, and given brand-new shoes to children in need. And to top it off, hundreds of families facing financial hardship will get the opportunity to shop for their children's Christmas gifts for free!

It's incredible to reflect and see all that God has done through you! It makes me even more excited for this year's Legacy Offering. Every time we come to a moment like this, I'm always thinking, "What if we could make an even bigger impact next year? What if we saw more stories of life change?" I believe we can and that we will.

While we celebrate everything the Lord has done this year, we look ahead to what else we could accomplish as we partner with Him to love and serve others. As we move forward, we're going to do what we have always done—prioritize the Kingdom of God, practice generosity, and stay focused on serving others. Thank you for always having a heart to reach people and build lives. I love that we get to do it together!

What is Legacy?

Legacy is an opportunity to live out above-and-beyond generosity to reach more people and build more lives through the growth and expansion of the Milestone family.

Legacy Offering | December 13+14

Our Opportunity

1

Expand the Kingdom

We must continue our mission of reaching people and building lives. Full is not an option. We will open seats and launch campuses to bring Milestone and the message of Jesus to surrounding communities.

2

Help the Hurting

As we grow as a church, we also grow in love. We are the hands and feet of Jesus and make a real difference in the lives of those hurting and marginalized in our community. Along with what we are already doing, the first million in the Legacy Offering will go directly to helping the hurting.

3

Grow Spiritually

This is an opportunity for each of us to grow spiritually and grow in unity as a church family. Every time we come to these moments to pray, hear from God, and step out in obedience, our faith is built as He continues to show up over and over again!

Our Plan

Reaching People

Building Lives

① Expand the Kingdom

- Launch campuses to bring Jesus and Milestone to surrounding communities
- Anchor Milestone presence in communities with permanent buildings
- Prepare for future expansion opportunities
- Keep opening seats at optimal times
- Make Milestone more accessible to your neighbors

② Help the Hurting

- First \$1M to Missions and Outreach
- Schools
- Single Moms/Widows: Double our Impact in 2026
- Disaster Relief Readiness
- Veterans

Grow in love

③ Grow Spiritually

- Opportunity to hear God and obey
- Step out in faith
- Give sacrificially
- See God move - Build faith for your future
- Model for your families and kids
- Churchwide Legacy Offering the weekend of December 13+14

Haslet Campus

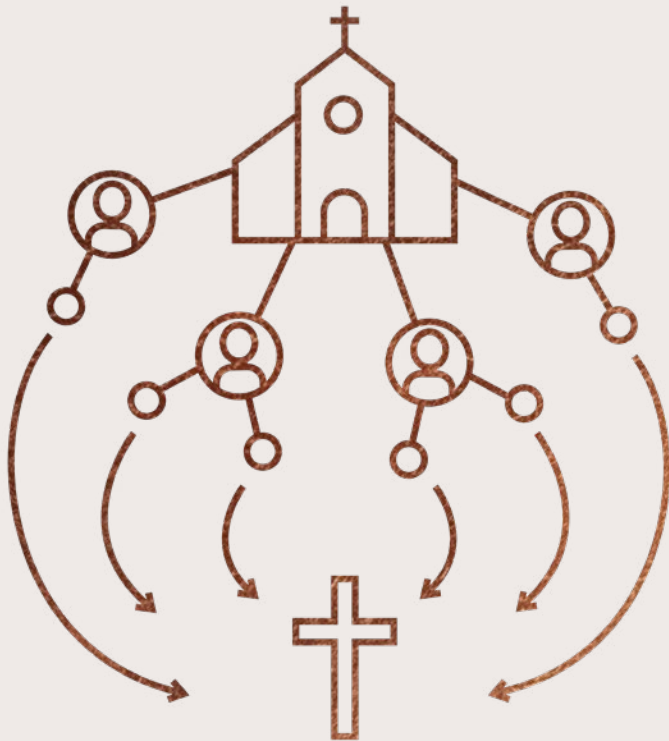

This year, through God's faithfulness and your generosity, we were able to open our permanent location in Haslet. 2,603 people attended our Grand Opening Weekend! Many families have already been impacted and will continue to be reached through this campus.

Our goal is to pay off the remaining debt from this project so that we can position ourselves to move on the next opportunity God brings. We always want to steward our resources in a way that keeps us ready to say "yes" whenever God gives us an opportunity to reach people in new communities.

Argyle Campus

Your generosity also enabled us to say “yes” whenever we were presented with the opportunity to open our Argyle campus earlier this year. Your faithfulness and obedience to God prepared us to act on a miracle we didn’t even know we needed! Now, we’re seeing thousands impacted there every weekend, and that community is being reached with the love of Jesus.

Our Impact

This year, we've seen an amazing impact. Here are just a few highlights of how your generosity is making a difference.

Liz and Trevian's Story

What started with Trevian coming to church on Wednesday nights has now led to his entire family being impacted! While attending Elevate and learning more about God, Trevian also had the opportunity to go to High School Camp, where he decided to go all in with Jesus. His mom, Liz, started noticing a difference in Trevian, especially when he expressed to her, "Mom, I want to go to church!" So she began attending weekend services with her son, and while diving deep into *The Foundations Book*, Liz had her moment when she gave her life to Jesus. Since then, Liz and Trevian were baptized together, Trevian's dad has accepted Jesus, and their entire family is now coming to church together!

Kathy's Story

Kathy was invited to Elevate by her friend Kiernyn earlier this year, and gave her life to Jesus the second time she came! Since then, Kathy has used her influence to begin reaching others for Jesus. In just the first two weeks of our fall Super Series, she invited over 20 people from her high school to come. What happened next was nothing short of extraordinary. Four of her friends came the first week and received salvation. Then, the next week, 10 more of her friends came and gave their lives to Jesus. We are blown away by how God powerfully moved through this friend group and how Kathy got to witness 14 of her friends go all in with Jesus!

Small Group Story

An amazing group of high school students from a Byron Nelson Small Group blessed a family in need this Serve Day. They knew their friend Brody and his mom, Julie, were going through a difficult time, and together they raised \$500 to buy them groceries for an entire month! The students surprised them both with the groceries, moving them to tears. Brody and Julie were blown away by the love of Jesus and generosity shown to them through these high schoolers. We are so proud of them and how they lived out what we always say: “You don’t have to wait to be great!”
