### **Pastor Appreciation Month**

October is Pastor appreciation month. Take some time to express your love, support and appreciation.

### **Parent Nursery**

We understand when parents have a hard time leaving their child/children in the nursery when they are crying. So, we have a room especially for parents to bring their child/children and the parent can watch the service on a monitor and keep their child with them. We ask that only one parent attend the nursery with their child. **Please only bring children three years and under into the parent nursery.**
