

BEAR FACTS

Issue 25: March 11, 2025

From the Principal

Just a short thought for today (to make room for all the other great stuff happening here at Bethany!)

I hope you enjoyed our Open House/Fine Arts Fair here last week. We have some GIFTED students and educators, and it was fun to see all the great projects.

I was particularly pleased that parents got to see our amazing Mr. Bowers, our music teacher, and the blessing that he is to our students. (Also...his energy and enthusiasm are contagious!) Our student performers were great! And kudos to our art teacher, Mrs. Z., for the wonderful art projects she executes with our Bethany Bears.

*We are truly blessed,
Dr. Fink*

Middle School Corner

The middle school is excited to continue our March Madness traditions!

Next week, the middle school students and teachers will have the opportunity to complete an NCAA March Madness basketball tournament bracket. This exercise allows the students to gain an understanding of how elimination brackets work while participating in a wonderful multi-grade activity. (And the middle school loves to celebrate so there are prizes for those whose brackets do well.)

Let the games begin!

In 8th grade English, the students finished their poetry brackets with Caged Bird by Maya Angelou taking the first place position.

Also in 7th & 8th grade science, the students are participating in the popular Mammal March Madness brackets...which predator will reign supreme?

Students may wear St. Patrick's Day or green shirts/ t-shirts/sweatshirts for St. Patrick's Day on Monday!
