

# BEAR FACTS

Issue 17: January 6, 2026

## FROM THE PRINCIPAL

### 20+C+M+B+26

If you walk around campus later this week, you will see these characters on the sidewalk outside of each Bethany's classroom. This ancient yet ever-changing symbol is actually part of a "house blessing" for the New Year, typically added on Epiphany, January 6. People have been chalking their doors in Epiphany in Europe for centuries!

The "CMB" stands "Christus Mansionen Benedicat" or "Christ bless this house." (It also happens to be the first initials of the traditional names of the wise men: Caspar, Melchior and Balthazar!)

In our home-away-from-home classrooms, we prayed this prayer to ask God to bless our 2026 together:

*"May all who come to our home-our classroom-this year rejoice to find Christ living among us; and may we seek and serve, in everyone we meet, that same Jesus who is your incarnate Word, now and forever. Amen."*

This could be a wonderful Epiphany/New Year tradition for your family, too! All you need is some chalk and a prayer. :)

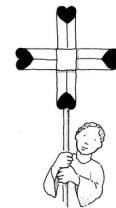

*Welcome back, Bethany Bears, and Happy Epiphany!*

*Dr. Fink*

## New Year, New Devices?

Bethany desires to partner with parents as we navigate the technological advancements in our current society. Did Santa add any new devices under the tree this year? As we begin to fill the pages of 2026, how can technology act as a blessing in your household while keeping your children safe?
