

Welcome to your **July 2024 Newsletter** My name is Jaime Arterbury. I currently try to stay in touch and maintain the relationship between the church and the missionaries being supported. This allows you, the church, to feel or have a connection with them. As well as for our missionaries to know they are loved and prayed for. If you ever want to know more, I am happy to share with you! [jaime.la@yahoo.com](mailto:jaime.la@yahoo.com)

Dan Jester and a small team returned safely from Nepal! An unbelievable movement of the Lord in the small villages and the large city of Kathmandu! Men, women, children, mountains and monkeys (a little red bull helped) fuel the Word and glory of God in over 400 souls. Ms. Gretchen is praying over the beginning of the women's ministry at Calvary Baptist Church (CBC). Stemming from the root purpose of CBC, To know Christ and to make Him known. VBS is up next for CBC and possibly another mission trip. Stay in prayer over the elders as they pray over the next steps in the church and community. Young Samuel Jester, just graduated from high school. Blessings over him and his path forward. [apprenticeministries.com](http://apprenticeministries.com)

D&H and family have all received from whooping cough and flu. The bill from the birth is not covered since their citizenship has not been determined. Please be in prayer of this financial concern. Continued prayers over their citizenship determination, which hopefully sometime before October, and getting a passport for the new baby. Big brother just turned young, wild, and 3!!! My heart beams for this young family! [chosenpeople.com](http://chosenpeople.com)
