

Toddler Registration Information

Children must be **at least 1 years old prior to the program start date** to enroll in our Toddler Program. Please contact our office to inquire about **alternate birthday start dates and current availability**.

We use **brightwheel** as our primary parent engagement and communication app. Families will need a brightwheel account to complete the registration process. If you do not already have an account, you will be prompted to create one when accessing the registration form links below. Brightwheel allows us to share important updates, communicate with families, and manage enrollment information all in one place.
