SINNERS BY NATURE AND CHOICE | MAY 12, 2024

SERMON RECAP

We are sinners by nature and by choice. Yet we can rejoice because the death that we have been damned to by sin, has been paid for in full!

THE LEAD IN

- Do you believe that people are born inherently good or inherently bad? Have you ever talked with someone who answers this question differently than you? What was their reasoning?

GETTING INTO THE TEXT

- Read Romans 7:7-13. What is the purpose of the law? What is sin?
- Continue in Romans 7 and read verses 14-23. This is affectionately known as the “do do” passage. What does Paul tell us in these verses about our human nature?

GOING DEEPER

- When you die, why should God let you into eternity with Him?
- The topic of sin holds eternal consequences. If we fail to acknowledge our need for saving grace, we will spend eternity in Hell, separated from God. Does this convict you to bring up Christ with anyone in your Oikos? Who and why?

PRAYER

- Thank God that He has saved you from your sin and given us life through His Son! Also pray for those in your Oikos who need Him still and ask God to give you boldness to be a witness for Him.
