PROJECT 2:42 UPDATE

What's going on with Project 2:42?

The announcements for Project 2:42, LEFC's building project to create additional teaching space, have been quiet for the past month, but God has been moving! We are filled with joy and gratitude to be able to announce the total cash received by December 31, 2024, was **\$1,905,455**.

Amazing! What does that number mean in the grand scheme of the project?

Well, in order to break ground on the expansion, it is our goal to have **\$3,000,000** of cash on hand (as well as the necessary permits). This means that we are nearly two-thirds of the way there! To God be the glory!

So what's next?

Continue to pray! If you haven't yet submitted a prayer commitment card, please stop by the Welcome Desk to fill out a card. And then join us in ongoing prayer for Project 2:42! Ask the Lord for His direction, both personally and for LEFC as a whole. Pray for the leadership and body of LEFC to be sensitive to His leading and ask that He would guide your heart in giving towards this project. When you are ready to give, go to lefc.net/project242 and click **Ways to Give** to view giving options.

Have questions about Project 2:42?

If you are new to LEFC or if you still have questions about Project 2:42, be sure to pick up one of the Project 2:42 booklets in the main lobby or by the café. You can also check out lefc.net/project242 for additional details, videos, and resources.
