MISSION TRIP

Our students worked hard on their mission trip to Orlando. They gardened and prepped seeds for planting at Edgewood Children's Ranch, then helped prep the campus of Central Florida Christian Academy for the school year. At the Christian Service Center, they made lunch for the community. And they finished up by sorting soaps to be sent internationally by Clean the World to countries where access to soap can help eradicate diseases. They also took time to worship, pray and have some fun. Staff members who worked with them told us: "Everyone is talking about how polite, willing, and cooperative they were. They don't complain at all. They followed directions and worked really hard." We're so proud of them for making time during summer to serve! More pics are on Facebook: [stpaulstudentmin](#)
