

NEXT GENERATION 16+

Serving at the Kids' Clothing Center
ADVANCE NOTES FOR PARENTS and TEENS

For kids 16 years and older.

- Older teens will be treated like an adult Difference Maker (at this age, they will most likely be doing some of these things as they are working at their first job, etc.)
- They will be assigned a shift that may not necessarily be their parent's shift.
- They'll be asked to create their own PCO profile.
- They'll be expected to "accept/decline" for their assigned shifts and communicate with their Team Leader and the Volunteer Coordinator accordingly.
- They will be relied upon for their shift and counted towards our minimum number to remain open.
- If you are a student 16 and older, here is the form to become a Difference Maker:
