Hello!!

Thank you for your interest in GCA! Although this year's classes are already in progress, it's not too late to become part of our homeschool community.

Here are a few important things to know before getting started:

- Students enrolling after the second week of school will be required to audit graded classes for the remainder of the semester. Starting in the second semester, students may continue auditing or switch to the graded option. (For details on grading options, refer to the [Student-Parent Handbook](#).)
- Please note that some classes are full, so be sure to check the schedule below before applying. View the [Course Catalog](#) for important information about each course, including tuition and fees, required curriculum (which families must purchase), prerequisites, course descriptions, and credit details.
- If you're ready to move forward, please submit an [application](#), and we will contact you asap to schedule an interview. For a comprehensive overview of GCA's program, registration process, and fees, please refer to page 3 of the [Course Catalog](#).
- Questions? Email us at gca@redlionca.org and someone will be in touch.

We look forward to connecting with you!
