**GCA uses FACTS, an outside company, for tuition management. FACTS charges an annual fee to families for this service based on the payment plan selected. The annual FACTS fee is collected by FACTS approximately 10-14 days after an account is activated. This fee goes directly to FACTS not GCA.

Once a FACTS account has been activated, Enrollment Fees will be withdrawn, in full, 10-14 business days after email confirmation. All other fees will be spread over the chosen payment plan (Pay in Full, 9 Payments (Sept-May), etc.)
