- Engage parents and families in developing, implementing, and reviewing School-Parent Compacts. *
- Engage parents and families in planning and developing effective parent and family engagement activities through representation on the school's Title I Needs Assessment/Evaluation Committee or Schoolwide Committee.
- Build capacity for school, parent and family engagement by:
 - providing parents and family members with information on state standards, assessments, requirements of Title I, monitoring their child's progress, and working with educators,
 - providing materials, resources, and training to help parents and families work with their children to improve academic achievement,
 - implementing a two-way communication system with parents and families that provides information in clear and understandable terms,
 - collaborating with business leaders and community organizations to offer opportunities for family-school engagement, and
 - coordinating parent and family engagement activities with other federal, state, and local programs, including preschool, after school programs, etc.

CP&LA's Parent and Family Engagement Policy has been developed jointly with, and agreed upon by, parents and family members of children participating in Title I programs, as evidenced by meeting minutes.
