

THE GOSPEL OF JOHN

IT'S NOT ABOUT YOU

JOHN 3:22–36

Why is it so easy to believe the lie that “life is all about me”?

In John 3:27, John says everything we have is given by God. What are some gifts in your life that you need to recognize as coming from Him?

What does it practically look like in your daily life for Jesus to “increase” and for you to “decrease”? (John 3:30)

Are you experiencing the fullness of the Holy Spirit today as described in John 3:34? If not, could it be because you are still trying to make life about you?

John 3:36 says we must believe in the Son to have eternal life. What does true belief and surrender to Jesus look like for you personally right now?

In what ways is God calling you to repent of making an area of your life all about you?
