

# Life that Matters

The Book of Ecclesiastes

## Ecclesiastes #4 | Work & Worship

Ecclesiastes 2:18-26

---

**Big Idea:** Good things become empty when they become ultimate.  
But God as our end puts everything in its proper place.

---

**1. Solomon had more wealth, power, and achievement than anyone in his world — and called it all vanity. What does that say to us living in the most affluent culture in human history?**

---

---

---

**2. Be honest: is there an area of your life where you are working hard chasing something that you suspect won't satisfy you when you get it?**

---

---

---

**3. Solomon's frustration wasn't just about money — it was about legacy. He poured everything into building something, only to realize he couldn't control what happened to it after he was gone. Where do you feel that tension in your own life?**

---

---

---

4. Verses 24–25 are the turn — enjoyment, rest, and satisfaction are described as gifts from the hand of God, not achievements you earn. What would it look like practically to receive your work as a gift rather than fight it as a grind?

---

---

---

5. What is one concrete thing you can do this week to bring God into the center of your work rather than keeping Him at the edges of it?
