

MINISTRY NEWS 2025

What a great year 2024 has been at FBC Summit! We've seen many wonderful things happen and look for an even better year in 2025.

A new addition to this past year was Men's OASIS – Older Adults Sharing in Service. We meet every first and third Thursday of the month to have breakfast, devotion, and take on opportunities to minister through calls, visits, providing transportation, and finding other ways to serve. I am excited about even more opportunities for fellowship and ministry this year.

You'll find our Primetime schedule for 2025 on the back of this letter – new places to go and also more events on campus. Mark your calendars and plan to join us. Some short daytime trips may also be added throughout the year.

NOTE: to sign up for events, please do so in the foyer at the "Primetime" table or call the church office. For any event that requires payment, envelopes will be provided and may be dropped in the adjacent payment box. You may also stop by the church office.

I look forward to seeing you at our next event, but especially to seeing you in worship and small group.

For His Glory,
