Kids' Club is a faith-based program where students participate in biblical teachings, prayer and worship. Kids' Church or KUDOS stands for praise and honor where the focus will be on how to honor each other and praise God. Life Groups are a time where students have a small group opportunity to talk about the lesson more in depth and understand the different ways it might apply to their life. All lessons taught are relevant to their age level through fun and creative large group times to intimate small group settings.

## **MEDICINE:**

If your student will be receiving medication at Kids' Club, a Medicine Authorization form must be filled out by the parent before a student will be given the medication. This form may be picked up and filled out at the Greeter's desk. If your student requires medication during our care, medicine must be in the ORIGINAL container with complete instructions. We are unable to handle medications that require refrigeration.

## **WELLNESS POLICY:**

At the discretion of a Director if a student becomes ill while in our care, you will be notified and will be required to pick up your student within 30 minutes. If you cannot pick up your student, then you will be required to find an alternative person to pick up within that time frame.

Please do not send your student if:

- Temperature is 99.6 or higher.
- Contagious or has had a fever within the last 24 hours.
- The illness results in greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other students.
- Illness that prevents a student from participating in normal Club activities.
- Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrollable diarrhea, 2 or more vomiting episodes in 24 hours.
- Recovering from a contagious illness your student may return after taking antibiotics for 24 hours or upon written approval of your student's physician.
- Has lice and has not been treated.

## **DISCIPLINE POLICY:**

All Kids' Club staff members are trained to use a heart-based discipline approach, developed by Dr. Scott Turansky and Joanne Miller, RN, BSN, ultimately striving for a positive outcome. Our goal is to get to the root of the issue asking these following questions:

1. What did you do wrong?
  - Helps the student understand the problem and create ownership for their own choices.
2. Why was that wrong?
  - Helps the student think rightly about the situation and give vision to help get to the root of the heart issue.
3. What are you going to do next time?
  - This will provide opportunity to coach, teach, and help each student learn how to think through the situation.
4. End with affirmation and encourage the student to try again.
  - We want to empower your student to feel confident that they can make changes or amends and remind them how valuable they are.

Throughout the discipline process we want to encourage self-esteem, self-control, and self-direction. As stated above, we use the Heart-Based discipline process along with positive reinforcement to encourage appropriate behavior. We communicate expectations daily by redirecting behavior, using positive statements, and encouraging breaks as needed to help a student regulate. We will never use corporal punishment or negative discipline that may hurt or humiliate your student. Your student will be pulled aside to have these conversations.

Our goal is to partner with you, as the parent, to overcome repetitive behavioral obstacles together as a team. We will take care of minor discipline problems within our staff without contacting parents. We do ask when issues have been communicated that you please help reiterate with your student the desired behavior for consistency.

### **ABUSE AND NEGLECT:**

It is our legal obligation to report any suspected abuse or neglect to the Texas Department of Family & Protective Services or a law enforcement agency.

### **MEDIA/PHOTO PERMISSION:**

Kids' Club will often take pictures during our program's activities and events. On occasion, we will film or photograph students for the website, social media or promotional material. Your student's picture may be used as stated in the disclaimer signed during registration. Please indicate your preference on your form during registration.

Also including the frequency of misbehavior, the student’s attitude, and the effect of the misconduct on the Kids’ Club environment. As previously stated, our goal in any disciplinary situation is to get to the root of the issue using Heart Based Discipline. Throughout the discipline process we want to encourage self-esteem, self-control, and self-direction.

Some examples may include:

2. If the student is removed from their group multiple times, in the same day, then the parent will be contacted via phone to have a conversation with a Director regarding the concerning behavior problems. This too, will be documented.
3. If there is no change in the student's behavior, then the parent will be contacted via phone to come pick up the student for the rest of the day.
4. If these behavior patterns continue, further discussions with Beltway Park Church Leadership and parents will be required to decide what next steps are best for the student.

## **REMOVAL FROM THE BUS**

Wylie ISD handles all bussing needs, issues, and concerns. According to the Wylie Student Code of Conduct, "A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges."

If a student's bus privileges become revoked for any amount of time, parents will need to arrange an alternative ride to Kids' Club if so desired.

## **SUSPENSION AND UNENROLLMENT**

Failure to comply with any of the policies and procedures mentioned above may result in suspension or unenrollment from the program. Beltway Kids' Club reserves the right to suspend or unenroll a student for any reason. We will try everything in our power to correct or modify inappropriate behaviors. However, our number one priority is the safety of our students and Kids' Club staff. If we see that a student and/or parents are not complying or working with us to fix a problem or potential problem, then different measures will have to be taken. We will document behaviors, conversations, etc. to keep track of and/or have documentation of unacceptable behaviors for future reference.

Suspension and unenrollment will be decided on a case-by-case basis and reasons for suspension/unenrollment may not be mentioned above. It is our desire for every student to have the best experience at Kids' Club. Suspension and unenrollment will be a last resort but may be necessary to ensure the overall safety at Kids' Club.
