## SELC FAMILY PORTRAITS

Many have expressed a desire to get to know people better. In hopes to start connections, conversations and relationships with each other, we will feature SELC family with a brief bio each week in the Messenger.

### **Anne Nowak**

#### *1. Where were you born or raised?*

I was born in a hospital in Maysville, Kentucky. We were coming home from someplace across the Ohio River, crossing into Maysville. We lived in Olive Hill, Kentucky.

#### *2. Where did you go to school?*

I went to Olive Hill schools the whole time. I went to high school there, too. Then I attended Morehead State University and obtained a teaching degree.

#### *3. What is/was your job or career?*

I was a high school teacher. I taught biology and chemistry for two years. Then I went to Michigan and taught 2-3 years. Then I met and married Len and we went to Germany. He was in the army. We had three children and we traveled to other places.

#### *4. When arrived at SELC / what brought you here*

Ft. Huachuca brought us here. We were in and out of the area a couple of times. We stayed after Len retired.

#### *5. What activities have you been involved with here?*

I was involved with the Girl Scouts and lots of their activities.

#### *7. What is something you'd like to see the church do?*

I am blind and can't drive. I would like to see the church provide some service to take people to church services. I would like to see more activities at church.
