

“Work willingly at whatever you do, as though you were working for the Lord rather than for people.”
— Colossians 3:23 (NLT)

Dear Lord,

As we approach a new season of the year with children and youth returning to school, new schedules beginning and fresh opportunities awaiting, we pray for your guidance, blessing, wisdom and favor. We humbly ask that each student, parent, teacher, administrator, along with all of us, would put you first in our lives. Send us fresh spiritual awakening, renewal and passion in these days.

Grant each student wisdom, vision for their future, and the discipline to apply the gifts and capacities you have given them to their fullest potential. Give parents wisdom to organize family life, provide guidance and inspiration to their children. Help moms and dads to live Christ-centered lives and lead their families in ways that honor you.

Grant all educators the grace and wisdom to influence students in character development as well as academics. Help them be great examples of you, the great Master Teacher. Anoint them to impact lives deeply and eternally.

Help all of us to increase in faith, hope and love. May we turn away from all lesser, worldly things to a more dedicated, pure and fruitful love for you. Help us to serve you in new ways, with new fervency and a deeper commitment.

Thank you for all you will do in this season.
Thank you for hearing and answering our prayers.
In Jesus' name, Amen.
