

Guest Speaker: Dr. James Lee

Dr. James Lee, a Korean-born American, served nearly a decade in the U.S. Air Force before answering a spiritual calling in 1986. After earning degrees from Regent University, he founded River of Life Ministries in 2001. Over the past 33 years, he's focused on global evangelism, planting over 800 indigenous churches and reaching six unreached people groups. Dr. Lee's ministry includes conducting revival services, conferences, seminars, and authoring books on spiritual warfare. He's married with two children and six grandchildren, continuing his mission to expand the kingdom of God worldwide.
