

Church Profile

We are a community of believers serving and worshiping in the heart of Fort Worth and on the doorsteps of Texas Christian University. While our history in this community runs deep (since 1929) we are bursting with new life. We are a church defined by our love of Christ and each other as we seek to be a place where discipleship, healing, and justice overflow from our doors to the corners of the earth.

Music Ministry Profile

Authentic worship through music at University Baptist Church is an important avenue designed to bring praise to our God and to serve His church. We highly value corporate worship and we strive to champion the church's voice. Within the worship setting, we provide leadership through vocalists and instrumentalists, and we strongly emphasize that worship is collaborative and not performative. We are intentional with our song selection, making sure it is thoughtfully processed and biblically guided. We welcome all worship styles, from traditional hymns to more modern songs; the goal being to allow our congregation to passionately respond to the Scripturally-informed truth that Jesus Christ is Lord and to proclaim His saving grace as a unified body of multi-generational believers.
