Trip Summary

UBC Youth Ministry's high school students will return to New York City, New York, on this Summer Break mission trip. The trip is focused on local church support and cultural exposure and engagement- largely in Queens, the Bronx, and Brooklyn. We worship with local congregations, serve in their churches, help with their Park and ESL Ministries and do general outreach. We also tour the worship centers of other traditions (Hindu, Sikh, and/or Muslim) and spend time learning about these traditions from the staff at UNO. Ministry partners include:

- Servant Life
- Urban Nations Outreach
- Various Church Partners
