

SMALL GROUP DISCUSSION GUIDE

The Perfect Couple - Week 1

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

Share an example of a relationship you've looked to with admiration. How much do you *know* about what you admire in that relationship vs. what you *think you know* about that relationship?

What's the challenge with thinking "two halves make a whole" in a relationship? What changes when you think about two complete selves coming together to compliment each other in a relationship?

When have you improved yourself or dealt with your own "stuff" only to have it improve a relationship that you're in?

When have you experienced communication, compromise, and commitment improving your relationships? When have you seen relationships hurt because those things lack?

How could you look differently at relationships in your life, seeing them as a reflection of God's love for you?

BIBLE

Read Amos 3:3, Galatians 5:22-23, Ecclesiastes 4:9 and Philippians 2:4. What do you notice?

PRAY

Gracious God, we thank you for the relationships in our lives. Help us to see ourselves and others with grace and gratitude. In your son's name, Amen.
